Lenex Corporation is the worse towing company in Bergen County.after Bill Lenex passed away the company went to hell.everybody started stealing including the head dispatcher.The family is fighting over each other for what's left.it's really sad,they fired me viva text message.The brother-in-law Cory couldn't stand Bill.he wanted everything for himself.now he has it and can't handle it.get rid of the head dispatcher and things might start looking up.IRS needs to come in there and investigate that place.they never pay taxes to the drivers.they been screwing the drivers for over 10 years.nobody has the balls to say anything but me.I am expecting Internal Revenue to show up any day now. Bill was a manager he knew how to operate an outfit.those people there now they don't even know how to answer the phone.so embarrassing.I thought I'll leave you with some of the garbage about Lenex Inc. The dispatcher has five DWIs what is she good for disposition has five DWIs what is she good.is that a joke or what.lenex lose my number I don't deal with people like that good luck and you damn sure going to need it!!!!
