“ I'm going to miss walking into the McGuirk's Oceanview dining room, during my annual visit each summer, and seeing Tom's Dad sitting in the dining room surrounded by his wife, extended family and friends...and maybe even a dessert. :) I cherished my title as "Tom's good friend my Los Angeles" and loved how your Dad never got bored hearing about how my boys were growing and how happy I was to be back in Seabrook for my visit. Big hugs and lots of love during this difficult time. We will raise a glass in his honor when I'm home in a few weeks! Love Jonalyn Morris Busam
