“ I am so sorry to hear of Windy's passing. I worked at the Hampton House Hotel for 7 years (1999-2005) and became friendly with her. I spent many a slow evening at the hotel talking with her. My daughter (who is now 23) called her the water lady but now we can't remember why. Windy worked very hard for many years organizing the volunteers for the Seafood Festival. I haven't seen her for years but am very saddened to hear of her passing.

“ I am unbelievably heartbroken to hear about Windy. She was my best friend in high school and I don't think I could have gotten through those years without her special friendship. She was kind, funny, smart and generous. She was always there for me, in good times and in bad. She was one of those special people that truly make an impact on your life. I am so, so sorry for your loss. She will be greatly missed.

I am so sad to hear of Windy's passing: I met her when we both worked at Carey and Giampa, and she became a treasured friend. The evenings she hosted on her deck overlooking the Hampton marsh and annual gatherings centered on football, the 4th of July, and her birthday were always filled with excellent conversation, food, and companionship. These happy times truly described Windy's generosity, kind heart, and concern for others.

I will miss her and hope that happy memories of her life comfort and sustain her family and friends. Goodspeed my friend, and rest in peace.

Dear Beverly, Dick, and brother Don, i am so sorry to hear of the loss of Wendy. As you know we were great friends of the whole family for years. Wendy was such a great person, always doing things for others. Having great parties at your house with both of you cooking great food, gathering a fun time for all. We all still miss Gloria too, and will really miss Wendy. Greg wanted to share his sorrow too, and asked me to share his thoughts with you. He said Wendy and him have been great friends since first grade. Our thoughts and prayers are with you all.
