“ Just found Yvones obituary on line. I too worked with her at JCPenney's. So very sad to read this news. Was thinking of her in the early hours of this morning. She was the sweetest lady. My sincere sympathy to all her family.

“ Hi, I just had the Christmas card that I sent to Yvonne returned today, so I am just learning of her death. I am so sorry to learn of her passing. I worked with Yvonne at JCP for many years and considered her a dear friend. Even though we hadn't worked together in years, she never missed a year sending me a birthday card. In fact she sent me one this year in August. My deepest sympathies.

“ Yvonne was a mother-in-law like no other. Stern at times but always nice. Will miss the trips to the doctors and the lunches after. She will always be in my heart. Arthur

We all miss Yvonne at 277 Water Street in Exeter. She was a good friend and "paper boy"--volunteering to bring the newspapers to our doors each morning. I feel my life was enriched for having known her - a very special person indeed.

Memories of piling into the big white cadillac & going to Hampton Beach for the day. She was very brave to take on the slew of Morrissete Grandchildren, as she did. As one family member reminds me, she use to warn us to KEEP ARE ARMS INSIDE AS THEY COULD GET BROKEN! She was ALWAYS kind, always a smile & happy to see us. Warm & fond memories of her forever. Rest in peace Aunt Yvonne. Will carry your memory in my heart forever!

The woman I sat with till her last breath was not my mom. My mom was a vibrant lady who enjoyed life to the fullest. California or Florida we had incredible times. You were my best friend. I will cherish all our adventures always. Love, Bonnie

*I have many fond memories of Yvonne. Bonnie would take us to the craft fairs and on lunch dates and she always insisted that I ride in the front on the way back because "it was only fair". We always had fun and she always had a smile on her face when she saw us. Yvonne loved it when I called her Gram. We would sit on the porch and talk about my animals, share pictures and sometimes just listen to the birds. I am going to miss you Gram! You will always be in my heart. Lots of Love,
